

# Hello WAMOs

(Waipa Mountainbikers)

## MESSAGE FROM OUR ESTEEMED TREASURER ( Moneybag Person)

Believe it or not, we are approaching our 1 year anniversary as a club! During this first year, a number of our members have contributed large amounts of their time to getting WAMOs up and running, deciding where trails should go, gaining approval from the council, building a website, keeping everyone informed, organizing rides, taking part in a trail building workshop and plenty more. We would like to keep a record of everyone's efforts in making the club (and the trails we want to build) a success and acknowledge those that have contributed the most. These records will also be important in the future as it will allow us to work out how many "man" hours are required to build trails, and put a monetary value on the work being done, an important fact in applying for funds and assistance in the future.

What we need from you to help us is simply an email to Chris ([oarkiwi@hotmail.com](mailto:oarkiwi@hotmail.com)) stating how many hours you worked, a date and a very brief description on what the work was, e.g. Trail building, website update, meetings with the council, attended workshop etc.

## TWO GREAT RIDES (sorta)

Check out the stories and photos about these two . . .er . . . *interesting* recent WAMOs rides, both held on the slopes of our favourite mountain. (with one of them, it might not be fully accurate to say it was "good"). They were the Te Pahu ride and an impromptu Ngutunui "Deathmarch" Just click the link below to view:
