

Hello WAMOs

(Waipa Mountainbikers)

FIRST WORKING BEE

This was a success with 10 enthusiastic workers turning up to help create the new trails and making enormous progress for one morning on the job.

Afterwards we immediately submitted a story and pictures to the Courier but so far it has not appeared. Don't give up hope – it could still do so. (Newspapers have many constrictions and can't always publish what we send.) Meanwhile, photos and story here on our website:

SAINSBURY ROAD UPDATE

Our president Brendan Haigh has written a very informative update to the Sainsbury Road page on our web site. It includes plans and satellite maps showing the area with the proposed trails shown. Well worth a good look. Here's the link:

KAKEPUKU WARNING

There is an off-road running event on Mt Kakepuku from 1pm on 17th April, so it might be a good idea for MTBers to avoid the mountain on the afternoon of that day.

42ND TRAVERSE THIS WEEKEND

This coming weekend we head south for the great ride we all love. Those of us who booked with Scott are looking forward to it immensely. See you there if you are among us. If not we'll publish pictures and story on the web afterwards.
