

# Hello WAMOs

(Waipa Mountainbikers)

## IT'S A BIG WEEKEND FOR OUR CLUB:

- **Go Hard at KCC this Saturday**

If you are on for this great day, hope the training has gone well and best of luck out there in the wilds. If you forgot to train, the 20km ride is an easier option and just as cool. See you there. If we could gather ourselves together at the venue for a club photo for the web site – that would be great!

- **See You Sunday Up The Mountain**

Final reminder about the historic occasion of our first real working bee is **this Sunday**. I am intending to be there taking photos for a newspaper article so it could be a great opportunity for you all to get your picture in the paper and become world famous in the Waikato. Make sure you come well provided with food, tools, drinks and thermoses. This day could mark the beginning of a big future for our club. See you there all ready to get those trails snaking their way invitingly between the trees for the future fitness and enjoyment of ourselves and our children. Meet 9am at the top of Sainsbury Rd, by the forestry gate. Its 20 min walk to the start of the new trail, or 10 min on the bike. A 4WD and trailer will be provided to carry up our tools, packs etc. Location map below.

## BIG INTEREST IN 42 TRAVERSE

Looks like we are having a good turnout for the 42nd Traverse ride on 17<sup>th</sup> April, with lots of people expressing interest. Can't wait! See you all there. May not be too late to join the fun. Contact Scott 021 77 44 28 to find out if you can still be fitted it.
