

# Hello WAMOs

(Waipa Mountainbikers)

## SUBSIDISED SKILLSCLINICS COURSE FOR FINANCIAL MEMBERS ONLY THIS SUNDAY

**Only three places left available.** The normal price is \$125 per person for this course but the club has received a grant which has enabled us to subsidise the course fees to the tune of \$50 pp. The Skillsclinics team have also come to the party by giving a further reduction of \$25 bringing the cost of the course down to **\$50 per person!** But you will need to act quickly.

The course is to be held this Sunday 20<sup>th</sup> March. It runs from at 9am to 2-3pm in the Redwoods. It is the Skillsclinic's famously effective "Phundamentals" course. Full details on the Skillsclinics website which is where you go to book online. Because many of the people who get this email are not financial members, we will not publish the booking password here. If you want to book, first ensure you are financial and then phone me, (that's Tui - 07 8252008) or email (by replying to this message) for the booking password and booking instructions. I will check you against the list of current members.

## THURSDAY CLUB RIDE A SUCCESS

I wrote a little report and took some photos to whet your appetite and you can see them on the web site here:

<http://www.waipamtb.org.nz/pagefiles/newsstories1.html>

We all enjoyed it so much we decided to meet unofficially every Thursday from now on, though the official ride remains every 2<sup>nd</sup> Thursday of the month. But some of us will be there again on Thursday this week too. Feel free to join us, 6 o'clock at the Pirongia pub. Shane Easton has proved its all do-able by single-speed (if you're fit like him).

## EXCITING STUFF HAPPENING ON THE KANIWHANIWA

Jeff and I went for an exploratory ride last night to see what the workers were doing to the trails near the Kaniwhaniwa stream and we were wowed by what we saw. It is not finished yet, but it will be an asset to the area when it is done, doubling the length of the existing easily ride-able trail and extending it through an area that is truly a native forest wonderland. When finished it will have pretty wooden bridges, boardwalks, and all-weather gravel single-track winding through the forest beside bubbling crystal streams. Quite breathtaking. We'll keep our eye on developments and keep you informed.

Visit our Website: <http://www.waipamtb.org.nz/>

If you know of a person who is not receiving these WAMO emails but would like to, please ask them to send an email to [tui@tuiscope.co.nz](mailto:tui@tuiscope.co.nz). so we can put them on the list.

If you would like to be removed from this email list, just let us know by return email and your name will be removed immediately.

**Tui Allen**
