## Club Subsidised MTB Skills Clinics Course Coming Up

The date for this is not yet finally confirmed but its looking very likely to be the 20<sup>th</sup> March in Rotorua. Once it is finalised we will call for bookings. These Skills Clinics courses are the best available and not usually cheap so to get in on the club subsidised one is a great opportunity, which is for **FINANCIAL CLUB MEMBERS ONLY**. (So if you're not paid up you know what to do!) Not only the club subsidy makes it cheaper but the Skills Clinics team have given us a good deal as well. The club received a special grant to make it possible for us to do this and we chose a course where we could learn skills for ourselves and to pass on to our newbie riders. The course we are doing is the one called "Phundamentals"

Check it out in more detail on the SkillsClinics website here:
