

Hello WAMOs

(Waipa Mountainbikers)

SAFETY WARNING

During our Thursday rides on Sainsbury Road, we're told we've been failing to keep left. This bothers the locals trying to negotiate the road by car at the same time. They're complaining only very politely at this stage, out of concern for the safety of riders. It is possible that this happening as much while ascending as descending, so in future could we all please take extra care to keep left on Sainsbury while going both ways. Two good reasons for this:

- We are all too young (and too good-looking) to die
- The club's future could depend on keeping up a good relationship with people living near our "patch"

NGUTUNUI THIS WEEKEND

The last Sunday of the month is this weekend so be at the school at 9.30 am. This is just our monthly non-competitive club ride on this challenging course. But great training for the time trial next month and Karioi the month after (see below).

If this is your first attempt (or first **winter** attempt) make sure you read the details and advice on our "Coming Up" page here:

NGUTUNUI "WORLD CHAMPS" TIME TRIAL - 26th JUNE

This is the deadly serious "winter running" of our biannual Ngutunui Time Trial. Who will win the coveted "Ngutunui Worm"?

IT IS FREE TO ENTER and there is **free** hot chocolate and ginger crunch provided.

Are you ready to unleash your awesome forces on this course in an all out attempt on the world records currently held by Josh Parkin (1hr 46m) and Marguerite Ritchie (1 hr 54m) ?

You're very welcome to ride, even if the forces you intend to unleash are not quite so awesome.

KARIOI RIDE ON 31st JULY

The last Sunday of July is the round Karioi ride out at Raglan. This is a terrific event and well worth experiencing.
